School Overview

Woree State High School has been serving the Cairns community since it was established in 1985. Woree State High School is a modern secondary school located in a picturesque, safe, suburban setting. Our ideal size of 920 students provides for a more personal and individual approach for all students whilst maintaining a full academic program and a fantastic range of curriculum offerings. Our school values are strongly based on the promotion of 'every student counts' and is seen by all of our students as one of the school's greatest assets. Strong emphasis is placed on delivering multiple pathways that meet the needs of every student whether they aim to study medicine or seek that elusive apprenticeship.

Woree State High School is a Centre of Excellence in Vocational Education Training (VET) through the award winning SchoolTech program. The SchoolTech program provides an innovative option for school-based vocational training. It allows students to complete their senior schooling and obtain a Queensland Certificate of Education (QCE). They also have the opportunity to gain 'real world' skills by participating in regular work placement and working within industry standard training facilities to complete their VET certificates.

Woree State High School is a multi-campus school with the main 7-12 campus located at Rigg Street, Woree. Our Year 11 and 12 SchoolTech students study at the TAFE Queensland North campus in Manunda, with the MarineTech students studying at the Great Barrier Reef International Marine College in Portsmith. The school operates the Cairns Hospital Class on behalf of the Far North Region, which caters for students requiring extended periods of stay in hospital. Our school-based apprentices and trainees are located in various work placements across Cairns City.

Principal's Foreword

Introduction

Woree State High School exists to improve the lives of our students by giving each and every student the opportunity to experience success at school and in their future lives.

Our vision is QUALITY and EQUALITY. Students are encouraged and assisted through our curriculum teaching and learning programs to emerge as complete Global Citizens who are Self-Directed Learners, Complex Thinkers, Collaborative Workers, Community Contributors, Quality Producers and Self-Actualising People.

Woree State High School prides itself on being a great 'all round performer', providing excellent pathways for both academic and vocationally orientated students. Woree State High School's reputation as an innovative and inspiring school continues to be enhanced every year and is reflected in our increasing enrolments over the last few years.

Woree State High School has a comprehensive Senior Schooling curriculum covering Authority Subjects, Subject Area Specifications, Vocational Education and Training Subjects and the Special Education Program. This all-round package provides pathways to University, Vocational Education and Training, or employment.

As a recognised Vocational Education Training (VET) excellence school, Woree State High School boasts one of the most comprehensive competency based vocational training programs in the State. SchoolTech is a partnership between Woree State High School, TAFE Queensland North and Skill360 Australia and provides a new innovative option for school-based trade training. SchoolTech allows students to complete their senior years of schooling, obtain a Queensland Certificate of Education and start a career as an apprentice.

School Progress towards its goals in 2017

Our 2017 Year 12 results are an indication of the vast improvement in student outcomes over the last few years with 98% of students receiving their Queensland Certificate of Education (QCE). Our OP eligible students achieved well with 68% achieving an OP1-15 and 95% of OP eligible students received a QTAC university offer. In 2017, 99% of Year 12 students received a recognised qualification.

Through the SchoolTech program and VET certificate courses on the main campus at Woree, there were eight (8) school-based apprentices, thirteen (13) school-based trainees, with 19,549 structured work placement hours and 3,891 work experience hours.

Woree State High School 2017 Annual Improvement Plan (SHARP)

There were five (5) key priorities outlined in the 2017 Annual Improvement Plan as described below. The same key priorities have continued into 2018.

Priority 1: STEM- Implementation of the STEM Action Plan

- Development of the STEM program with White Rock State School and Woree State School
- STEM and Robotics Clubs established and enhanced
- Introduction of Bring Your Own Device (BYOX)
- Planning for the STEM Centre
- Entrepreneurs of Tomorrow Project.

Priority 2: High Achievers- Implementation of systems to improve student outcomes

- Introduction of the Student- Led Conference System
- Enhanced academic performance feedback system
- Revised and enhanced Academic Supervision Program
- Junior Secondary High Achievers Program
- Introduction of IMPACT programs
- Continued involvement in high end academic competitions.

Priority 3: Assessment- Continued refinement of curriculum focusing on assessment

- Curriculum faculty preparation for the introduction of the new Queensland Certificate of Education and Senior Assessment and Tertiary Entrance System
- Review of Junior Secondary assessment
- Introduction of cognitive verbs programs.

Priority 4: Results- Implementation of the phases of schooling

- Continued focus on school-based apprenticeships and traineeships through the Woree campus and SchoolTech
- Focus on high achieving students
- Introduction of the Student-Led Conference
- Continued implementation of the Junior Secondary strategy
- NAPLAN strategy
- Academic Supervision Program for senior students
- Review of VET subject offerings
- Continued implementation of the Student Support Services System.

Priority 5: Partnerships- Improved parent and community engagement

- Memorandum of Understanding (MOU) with TAFE Queensland North
- Memorandum of Understanding (MOU) with the Clontarf Foundation and establishment of the Clontarf Academy
- Continued partnerships with local Cairns businesses through the SchoolTech and school-based VET program
- Continued partnership with Queensland Health and the Hospital Class
- Improved communication with parents with the introduction of QParents, Schoolzine and the electronic noticeboard
- Continued partnerships with local state schools, the Cairns Regional Council, Transport and Main Roads through the SAFEST Committee
- STEM Partnerships with Woree State School and White Rock State School.

Future Outlook

The Woree State High School's Four Year Plan is based on the nine domains of the School Improvement Framework.

Woree State High School Four Year Overview and Annual Implementation Plan 2017-2020

1. EXPLICIT IMPROVEMENT AGENDA

- A focus on student performance, with clear targets and plans that are rigorously actioned
- Major priorities to the Schools of the Future- STEM, Digital Technologies and Entrepreneurs of Tomorrow.

2. ANALYSIS AND DISCUSSION OF DATA

- Use data throughout the school to identify priorities, take action and monitor progress
- Routinely use student achievement as evidence of successful teaching.

3. CULTURE THAT PROMOTES LEARNING

- Generate a school-wide commitment to purposeful successful learning. Create productive partnerships with students, staff, parents, and community.

4. TARGETED USE OF SCHOOL RESOURCES

- Develop school-wide processes for identifying and addressing specific student learning needs.

5. AN EXPERT TEACHING TEAM-

- Build a school-wide self-reflective culture focused on improving teaching. Develop a school-wide shared responsibility for student learning and success

- Provide professional learning, coaching and mentoring arrangements. School leaders and peers observe and discuss teachers' work with them.
- 6. SYSTEMATIC CURRICULUM DELIVERY**
- Align the curriculum delivery plan with the Australian Curriculum, and QCAA.
- 7. DIFFERENTIATED TEACHING AND LEARNING**
- Show in planning how multiple opportunities to learn are provided
 - Teachers regularly use student achievement data to determine their strengths and weaknesses and to identify starting points for learning.
- 8. EFFECTIVE PEDAGOGICAL PRACTICES**
- Implement whole school research based pedagogical practices
 - Give clarity to what students are expected to know and be able to do
 - Provide timely feedback to guide student action and to allow for self-regulation.
- 9. SCHOOL-COMMUNITY PARTNERSHIPS**
- Establish effective school-community partnership

Woree State High School 2018 Annual Improvement Plan (SHARP)

Priority 1: **STEM**- Implementation of the STEM Action Plan

Priority 2: **High Achievers**- Implementation of systems to improve student outcomes

Priority 3: **Assessment**- Continued refinement of curriculum focusing on assessment

Priority 4: **Results**- Implementation of the phases of schooling

Priority 5: **Partnerships**- Improved Parent and Community Engagement

Our School at a Glance

School Profile

Coeducational or single sex:	Coeducational
Independent Public School:	No
Year levels offered in 2017:	Year 7 - Year 12
Student enrolments for this school:	

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2015	822	350	472	318	84%
2016	849	374	475	340	86%
2017	866	386	480	342	87%

Student counts are based on the Census (August) enrolment collection.

In 2017, there were no students enrolled in a pre-Prep** program.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<https://qed.qld.gov.au/earlychildhood/families/pre-prep-indigenous>).

Characteristics of the Student Body

Overview

On average, each Year 7, 8, 9 and 10 cohort has approximately 145 to 170 students, and in Year 11 and 12 the cohort increases by approximately 80 students, as students from all over the district transfer to Woree State High School to enrol in the SchoolTech program.

Woree State High School proudly acknowledges and promotes a range of cultures within its diverse group of students: Anglo-Saxon, Hmong, Polynesian, Bhutanese, Aboriginal and Torres Strait Islander. Many students come to us with English as a second language.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2015	2016	2017
Prep – Year 3			
Year 4 – Year 6			
Year 7 – Year 10	22	23	23
Year 11 – Year 12	16	17	17

Curriculum Delivery

Our Approach to Curriculum Delivery

The Whole School Curriculum and Assessment Plan ensures that the school has a coherent, sequenced plan for curriculum delivery that provides consistency of teaching and learning and a clear reference for monitoring learning across year levels. The plan includes evidence-based teaching practices and assessment, and reporting procedures are aligned and referenced with the Australian Curriculum.

In Years 7 and 8, students study Mathematics, English, Humanities, Science, Health and Physical Education and Personal Development as core subjects. Additionally, all students study four elective subjects in the areas of Technology and the Arts.

Students in Years 9 and 10 study English, Mathematics, Science, Humanities, Health and Physical Education and Personal Development. Additionally all students choose elective subjects from a range of Technology and Arts offerings. Many of the subject areas offer curriculum based excursions to enhance the learning experience for students.

In Years 11 and 12, students study Queensland Curriculum as approved by the Queensland Curriculum and Assessment Authority (QCAA). These subjects include Authority Subjects for OP and University entry (i.e. Physics, Mathematics B, Legal Studies, English, and Chemistry), Subject Area Specifications (i.e. Aquatic Practices, Recreations, Prevocational Mathematics, and Visual Arts in Practice) and Vocational Education for Queensland Certificate of Education attainment. Many of the courses offer curriculum based excursions. These excursions include the Year 11/12 Recreation Camp and the Marine Aquatics Fitzroy Island Dive Trip.

Included in the Whole School Curriculum and Assessment Plan is a significant selection of vocational certificate courses. This is supported by tailored programs for School Based Apprentices and Trainees (SATs).

Vocational offerings include those offered within SchoolTech and MarineTech and are supported through partnerships with TAFE Queensland North, Skill360 Australia and other registered training organisations. More information on these offerings and the application process can be obtained from our website. Work experience and work placements (TAFE Queensland North) is a key feature of the SchoolTech program.

Co-curricular Activities

Woree State High School is involved in a full range of curriculum, sporting, academic, artistic, public speaking and recreational endeavours, including:

Academic

- Chemistry Titration Competition
- James Cook University Rove
- Australian Brain Bees Challenge
- Entrepreneurs of Tomorrow
- STEM Club
- She Flies Drones
- Robotics
- Science Club
- Debating Teams (Junior and Senior)
- Speaking Competitions
- Spelling Bee Competitions
- Premier's Reading Challenge
- Mathematics Challenges
- High Achievers Program
- Primary School Connections program with White Rock State School and Woree State School.

The Arts

- Stage Band
- Concert Band
- Marching Band performances at the Edmonton ANZAC Parade, Cairns Show, competitions and Festival of Lights
- Theatre Restaurant
- Skit Club
- Tanks Art
- Tech Crew

Leadership Development

- Duke of Edinburgh Awards
- School Captains -Year 12 Senior Leaders
- Indigenous Leaders Program- Junior and Senior
- Junior Secondary Student Leadership Program
- Year 10 BEACON Ambassadors
- Student Council
- Orientation and Leadership Camps
- 11s for 7s
- Helping Friends Program
- Pink Day
- TREK Program (Outdoor Education)

Sporting

- Trinity Coast South Secondary School Sport, Peninsula and State Representation
- Rugby Union
- Rugby League
- Mossman 7s Rugby Union
- Inter-House Swimming Carnival
- Inter-House Cross Country Carnival
- Inter-House Athletics Carnival
- A wide range of interschool sports (CISSA) including:
 - Soccer
 - Netball
 - AFL
 - Touch Football
 - Volleyball

Cultural

- Cultural dance groups
- Harmony Day celebrations
- International school visits- Education Queensland International (EQI)
- NAIDOC

Chaplain

- Scripture Union Connect A to B Program

How Information and Communication Technologies are used to assist learning

In an exciting development for the school, BYOX (Bring Your Own Device) was introduced in 2017. This ensures quality learning outcomes for every learner in a supportive and equitable learning environment. We believe the full integration of ICTs into the curriculum will contribute to the development of our students and staff as lifelong learners in accordance with our agreed school global outcomes. To achieve this goal we will develop ICT and e-learning skills in our students and staff. We will empower them to explore, create, analyse and reflect upon the roles and uses of ICTs in a global society.

The laptop program and high number of computer labs for our students enables them to research on the internet, complete their work in a digital format and submit assessment. These technologies provide a significant advantage for all our students as we align with an ever evolving technological world.

Social Climate**Overview**

The School Vision of Quality and Equality is a driving force behind the success of establishing a strong school culture. Every student knows and understands the Woree 4- Respect, Safety, Effort and Self-Responsibility.

Woree State High School has experienced increased enrolments of students located in the Woree district and is a reflection of the confidence that the school community has in our capacity to deliver a quality education to a wide range of students. All students at Woree State High School demonstrate a high level of school pride and ownership of their school and this is shown in their high standard of uniform and respect for the school community.

There are a significant number of student support programs in place at Woree State High School:

- Academic Supervision Program -the Head of Senior Secondary coordinates senior teachers to mentor Year 11 and 12 students in their academic progress
- Special Education Program (SEP)
- Student-Led Conferences for Years 7-12
- High Achievers Program
- Year 6 into 7 Transition Program
- Community Education Counsellors for Aboriginal and Torres Strait Islander groups
- Community Liaison Officer Pacifica cultural groups
- Learning Support Team
- Anti-bullying strategy including Pink Day
- Positive Behaviours Program
- Peer mentoring program (Helping Friends)
- Student Services Team (case managing identified students)
- Key support staff such as the Chaplain, School- based Police Officer, School- based Youth Health Nurse, Youth Support Coordinators

- Positive Behaviour for Learning (PB4L) lessons in form classes.

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

Parent and community engagement

The Parents and Citizens' Association is the most significant parent volunteer group in the school. The Woree State High School P&C is affiliated with the Parents and Citizens' Association Queensland.

In 2017 the Parents and Citizens Association completed the redevelopment of the school tuckshop. This project has enhanced the capacity of the P&C to provide good quality food to students at an affordable price.

The P&C aims to serve the needs of the school community whilst assisting the school to achieve high standards in academic, social, sporting and cultural activities. The P&C operates the school Tuckshop and Uniform shop, and strives to provide a good quality service at affordable prices.

The P&C is a vital financial contributor to the school and assists in student academic, behaviour and cultural awards, Presentation Evening, facilities improvements, and pursuits of excellence in the Arts and Sport. The P&C is consulted and endorses major school documents, namely: the Four Year Plan, Annual Improvement Plan, Responsible Behaviour Plan for Students, Student Resources Scheme and Subject Specific fees, Year 12 Senior Shirt, and School Formal and Graduation. The P&C operates a Facebook page which is a vital communication channel with parents.

Communication with parents is an important part of the school. The school website contains a wide range of information including newsletters, enrolment procedures, school events and functions etc. In 2017 our communication with parents was enhanced with the introduction of the QParents (online mobile App), Schoolzine interactive newsletter, and the electronic noticeboard. Parent interest is strongly evident in the various special events conducted throughout the year including the Student Leaders Induction, Presentation Evening, ANZAC Day Ceremony, Harmony Day Celebrations, Musical Performances, Theatre Restaurant, various sporting events and carnivals.

Other communications included:

- Two parent teacher interviews (Term 2 and 3).
- The School Yearbook

- Student-Led Conferences for Years 7-12
- Woree State High School Information booklets
- Subject Selection booklets
- Student planners
- Newsletters
- Parent Information Evenings
- SMS and emails,
- Information and permission letters
- Regular school articles to the Cairns Post Inspire
- SchoolTech Promotional Flyers.

Respectful relationships programs

Woree State High School has a comprehensive student support services system that includes a vast array of programs to support students. The Student Support Services team provides an excellent service to students in the areas of social, emotional and behavioural support. The Responsible Behaviour Plan for Students ensures that all students are treated fairly while maintaining high expectations in attitude and behaviour. Anti-social behaviour is not tolerated and results in very serious consequences, discouraging repeat offences. A key part of the Woree 4 is 'Respect' and the school has developed and implemented programs such as Drumbeat, A to B, and TREK that focus on appropriate, respectful and healthy relationships.

The school has developed and implemented a program/or programs that focus on appropriate, respectful, equitable and healthy relationships.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2015	2016	2017
Short Suspensions – 1 to 10 days	277	320	274
Long Suspensions – 11 to 20 days	13	16	41
Exclusions	4	7	9
Cancellations of Enrolment	9	8	9

Environmental Footprint

Reducing the school's environmental footprint

A number of procedures are used to reduce the school's environmental footprint. These include:

- Air conditioners not turned on during the winter months
- Responsible use of water including limited use of irrigation
- Use of technology to reduce paper use
- Recycling of paper
- Use of solar panels
- Maintenance of a clean green environment in the school gardens.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	690,340	870
2015-2016		3,743
2016-2017		2,282

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Professional Development

Expenditure On and Teacher Participation in Professional Development

The total funds expended on teacher professional development in 2017 was \$41,627 not taking into account professional development conducted by Woree State High School leaders including Senior and Senior Experienced Teachers, Heads of Departments and Executive members.

The major professional development initiatives are as follows:

- Mentoring Beginning Teachers Program
- All teachers received professional development in Explicit Teaching
- Teaching of Reading and Writing
- STEM (Science, Technology, Engineering and Mathematics) professional development
- Teacher coaching by school-based Explicit Teaching Coaches
- All faculties had access to the services of a Curriculum coach to develop the Whole School Curriculum and Assessment Plan based on the Australian National Curriculum
- QCAA New Queensland Certificate of Education and Senior Assessment Tertiary Education System professional development as required
- Mandated DETE professional development i.e. Code of Conduct, Asbestos, Student Protection
- More Support for Students With Disabilities (MSSWD) professional development
- OneSchool training for Administration staff
- OneSchool training for teaching staff
- ID Attend training for staff
- Essential Skills for Classroom Management
- Student Support Services professional development and coaching
- First aide training
- Work placement for VET qualifications
- Cleaners and School Officer professional development
- Queensland Education Leadership Institute (QELI) Leadership Training
- Systems Leadership Theory professional development

The proportion of the teaching staff involved in professional development activities during 2017 was 100%.

Staff Attendance and Retention

Staff attendance

AVERAGE STAFF ATTENDANCE (%)			
Description	2015	2016	2017
Staff attendance for permanent and temporary staff and school leaders.	96%	96%	96%

Proportion of Staff Retained from the Previous School Year

From the end of the previous school year, 92% of staff was retained by the school for the entire 2017.

Performance of Our Students

Key Student Outcomes

Student Attendance

Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2017			
Description	2015	2016	2017
The overall attendance rate* for the students at this school (shown as a percentage).	86%	84%	85%
The attendance rate for Indigenous students at this school (shown as a percentage).	82%	79%	80%

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2017 for all Queensland Secondary schools was 90%.

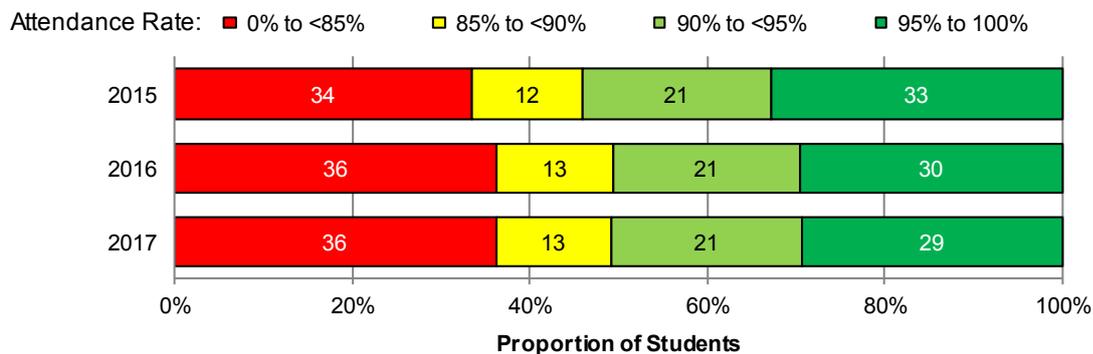

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2015								88%	90%	87%	80%	85%	87%
2016								86%	82%	86%	85%	83%	85%
2017								88%	83%	81%	81%	88%	87%

*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Woree State High School's policy for managing attendance is as follows:

- The normal school day commences at 8:45am and finishes at 3:00pm
- Students arriving late present to the Attendance Office for roll marking. Students without parent/guardian approval may receive a lunchtime school detention
- Students arriving at school as per the guidelines will be marked on the individual teacher's roll on a lesson by lesson basis
- All absences require parents/guardians explanation of absence
- Unexplained absences will be followed up with communication back to the parent/guardian. Follow up includes letters, phone calls, SMS messages
- Student Attendance Officers, Clontarf staff and the School-based Police Officer do regular home visits to low attending students
- In the course of concerning patterns of poor attendance, the school will action an official letter to parents/guardians as detailed in the DETE Policy.

The Student Support Services Team plays a role in case managing chronic non-attending students.

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following 'Find a school' text box.

Apparent Retention Rate – Year 10 to Year 12

APPARENT RETENTION RATES* YEAR 10 TO YEAR 12				
Description	2015	2016	2017	
Year 12 student enrolment as a percentage of the Year 10 student cohort.	79%	78%	91%	

APPARENT RETENTION RATES* YEAR 10 TO YEAR 12			
Description	2015	2016	2017
Year 12 Indigenous student enrolment as a percentage of the Year 10 Indigenous student cohort.	58%	62%	67%

* The Years 10 to 12 Apparent Retention Rate is defined as the number of full-time students in Year 12 in any given year expressed as the percentage of those students who were in Year 10 two years previously (this may be greater than 100%).

Student Destinations

Post-school destination information

The results of the 2017 post-school destinations survey, Next Step – Student Destination Report (2017 Year 12 cohort), will be uploaded to the school's website in September.

Schools with fewer than 5 responses will not have a report available on the post-school destinations of Year 12 completers for reasons of confidentiality.

The report will be available at:

<http://www.woreeshs.eq.edu.au/Supportandresources/Formsanddocuments/Pages/Documents.aspx>

Early leavers information

The destinations of young people who left the school in Years 10, 11 and prior to completing Year 12 are described below.

In Year 10 all students develop a personal Student Educational and Training Plan (SETP) which is complemented by a BEACON charter signing by students, school and the community to aspire to the school's service commitment.

The service commitment reads:

The Far North Queensland (FNQ) Region of the Department of Education, Training and Employment and Woree State High School implement a service stream of education and training which delivers the Service Commitment to students and meets the training and skilling needs of population, industries, and communities in FNQ through:

1. All children being well prepared for school and life.
2. Students at Woree State High School achieve the Service Commitment:
 - an OP and enter university or;
 - a clear VET pathway to employment or;
 - paid employment of 25+ hours/week or;
 - alternative pathways for some students with special needs.

All students are encouraged to complete their senior schooling and significant support is provided to influence this outcome. There are situations where the best outcome for the student is to depart early into another pathway of employment or training. This process is always negotiated between family, school and the employer.

A student / parent may also request an exemption from schooling which is always negotiated and documented on the appropriate departmental paperwork. Any student who fails to attend school without a significant reason will be case managed by the school to encourage a return to schooling or an appropriate alternative pathway.

Conclusion

As evidenced in this School Annual Report, 2017 proved to be another outstanding year for Woree State High School. The school continues to provide an excellent education service for our students and is living up to our vision of Quality and Equality. We are particularly proud of our Year 12 outcomes which is testimony to the effort of the school and wider community who continue to support our students.

Bruce Houghton (B.Ed)
