- Improvement in QCE attainment from 95% in 2016 to 97% 2017

STEM and Digital Technologies Strategy

- Primary Connections Partnerships with Primary Schools

Our initiatives include

Focus on the development and implementation of the Response to Intervention System

1. High Quality Teaching

- Implement the Teaching and Learning System and continue to build teacher capability in explicit teaching through the Teacher Capability Development System (Evidence: Archer and Hughes-Explicit Instruction and Hollingsworth and Ybarra) and intensive coaching of staff.

2. Effective Intervention (Remedial/Extension)

- Implement the Literacy and Numeracy strategy (7-9) including the Junior Secondary Reading and Writing Program
- Implement intensive Literacy and Numeracy programs for students below NMS
- Utilise the One School ISP for all students below Reading, Writing and Numeracy NMS
- Continuous, short-term data and feedback cycles (5 week) of students on ISP focused on a narrow and sharp area of improvement are recommended.
- Implement the NAPLAN strategy for the school
- Continue to develop the Schoolwide Positive Behaviour Support- Learning to Learn

3. Case Management

- Development of Intensive Literacy and Numeracy courses to deliver precise support for students
- Academic Supervision Program extended to Junior Secondary through the Junior Certificate Education process. Intense management of QCE eligible students to ensure completion

* Funding amount estimated on 2016 data. Actual funding will be determined after 2017 enrolment data are finalised.

Investing for Success
