The SportTech Soccer program is designed for Year 11 and 12 students and operates professionally to develop sporting excellence, nurture natural talent and aid personal development. You must be enrolled into a full-time education pathway. If successful in securing a place you will receive 6 – 9 hours coaching and training per week in partnership with NPL club Aquis FNQFC Heat.

**Certificate II in Sport and Recreation | SIS20115**

This qualification allows individuals to develop basic functional knowledge and skills for work in customer contact positions in the sport or community recreation industry. This qualification is suitable for students who wish to work in sport and recreation centres or facilities, leisure and aquatic centres.

Potential employment outcomes include assistant roles with local and regional sport and recreation organisations.

**Certificate III in Sport and Recreation | SIS30115**

This qualification reflects the multi-skilled role of individuals in operational and customer support positions in the sport or community recreation industry. SIS30115 consists of nine (9) core units and six (6) elective units. Students may wish to work in regional and local sport and recreation organisations, community recreation centres or at sporting grounds or complexes.

Possible job titles include Sport and Recreation Officer, Sports Development Officer, Community Activities Officer and Recreation Officer.

**Entry requirements**

- Applicants must have completed Year 10 or equivalent and be age appropriate to commence Year 11.
- An Expression of Interest form must be completed. To download the form and Course Guide visit: [www.tafenorth.edu.au/schooltech](http://www.tafenorth.edu.au/schooltech) [www.woreeshs.eq.edu.au](http://www.woreeshs.eq.edu.au)
- It will be considered an advantage if applicants have already completed some work experience in their chosen vocational area.

** PLEASE NOTE:** All applicants will be required to attend an interview with teachers from the course area and courses will only proceed if there are sufficient participants.

**Timetables**

- Semester 1 – students attend TAFE four days per week with one day allocated as work experience placement.
- Semester 2, 3 and 4 – students will attend TAFE three days per week with two days allocated as work experience placement.
- The first week of study will be considered orientation week and work experience placement will commence in week 8, one day per week.
- School subjects are timetabled around work experience placement so as to avoid interrupting class time. This will ensure a smooth transition from school to work.
