

BYOD

(Bring Your Own Device)

NEED A LAPTOP FOR SCHOOL

Here's How!

1

Buy New from a supplier!

- Head to woreeshs.eq.edu.au and click BYOD
 - Links to trusted vendor portals
 - Warranty and support options
 - or purchase device from retail outlet
- (See back of page for minimum specs)

2

Buy new from the school

- Cost-effective - Payment plans available
- Warranty & Accidental damage protection
- School IT Support included
- School software provided

3

Bring an existing device

- Or buy second hand device
 - Check minimum specs
 - Ensure it's in good condition
- (Laptop must be Windows 11 compatible or a Mac book that is no older than 5 years. See back of page for minimum specs.)

*School Assistance Program

- Support for families
- Loan & Donation options

(*School assistance program is designed for families that are currently in severe financial hardship. Contact the school to check eligibility)
