Our Goal:

The goal for the scheme is to provide technology options that are affordable to families while, at the same time, meeting the needs of our staff, students and school.

- Laptops and Desktops are widely used in the school currently to assist in student learning. Our curriculum is fast moving to an E-Learning style and we wish to ensure the highest delivery options and service to our students.
- Online Learning environments are being established to offer access to learning 24/7, 365 days/year.
- Environments emerging with anytime access include, but are not limited to –
 - Blackboard E-Learning
 - ClickView Online
 - Sharepoint Teamsites
 - OneNote Classroom
 - OneDrive for Students
 - OfficeOnline
 - Microsoft Teams
 - Stile/Education Perfect

Woree SHS feel our scheme supports families who are unable to BYO devices and provides the best option for device configuration, student safety, efficient technical support, minimising and supporting cost for families and strong student outcomes.

Students and parents/caregivers are asked to lend their support to this very valuable and innovative Laptop Scheme. Strong support from parents and caregivers is paramount to ensure the Laptop Scheme is successful and that students gain the maximum benefit.

The ***Student Device Resource Scheme Handbook and Charter*** are available from our website <https://woreeshs.eq.edu.au/> or from the School Administration during office hours.
